## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

That I am 31 years of age and live in Cobb Co., Ga. I claim my Indian through my father; my mother is a white woman. Both of my father's parents were of Indian descent. Ruthe Maddox was my grandmother and her maiden name was Dabba. My grandparents were 1/2 Indian Cherokee. My father was 45 when he died and has been dead 19 years. My father never was on any Indian roll that I know of. I don't know whether any of my ancestors were or not. My father died when I was small. He never lived among the Indians as a member of the tribe. X My grandparents died in Gwinett Co., Ga. My grandmother has been dead about 7 years and my grandfather has been dead about 12 years. I think they were born in Gwinett Co., Ga. Both of my great grandparents were buried in Gwinett Co., Ga. I am recognized as a white woman in the community. My father never made any application for benefits and this is the only one I ever made. None of my brothers and sisters have made application to share in this fund.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim through your father's or mother's side. Was your great grandmother Norton your ancestor on your father's or mother's side.

Where were your grandparents on the side through which you claim residing in 1834 and 1835? Why were they not enrolled in 1851? Were your parents or grandparents on either side slaves? If so, were they slaves of Indians or white people?

Very respectfully,

Lizzie Washington being first duly sworn through John Israel, interpreter, deposes and says:

I am 50 years of age. No. 21152 is my enrolment number by the Dawes Commission. I am a full blood Cherokee. ~~My~~ My mother drew ~~money~~ money in 1851 but I don't know whether my father did or not. They were both Cherokees. Ail-sey was my mother's name. That's all the name I know. She lived in Delaware District. She had a sister but I don't know what her name was. She had no brothers that I know of. My mother told me that she drew money in 1851. I am sure that she was living in Delaware District in 1851. She was an Emigrant. I don't know the name of my mother's mother. I don't know the name of my mother's father either. Ailsey has been dead about 30 years. My mother was not an Old Settler. Ned Uh-stuh-aquah was the name of my father. My parents were not married in 1851. My mother was a little girl. Taw-ju-wah and Gaw-du-quah-skee were brothers of my father. Se-quah-ne-yah (Hogshooter) was the name of another brother of my father. Uh-stuh-a-quah was the name of my father's father. I don't know the names of any of my grandfather's brothers and sisters. I don't know the name of my grandmother on my father's side. ~~ix~~ I did not draw Old Settler money a few ~~xxxxxxx~~ years ago. I have never mixed with any other tribe of Indians than the Cherokees. I do not know of any witness who could testify as to my grandparents. My grandfather on my father's side drew money in 1851, but I don't know whether my father did or not. I don't know whether it was Old Settler money or Emigrant money that my grandfather drew. People have told me that it was Emigrant money.

  
Signature of Witness.

Interpreter states that he does not believe applicant drew O. S. money. He states that she is a full blooded Cherokee and is recognized as such.

William H. Hall being first duly sworn, deposes and says:

That I am 58 years of age. I claim my Indian blood through my mother. My father was a white man. My mother was about 58 years old when she died. She claimed Indian through her mother, Clarissa Burns. She never married - just lived Indian custom. I never knew the name of my grandfather. My mother was a half breed Cherokee. She was half Cherokee and half white. If my mother was ever on any roll I don't know of it. In 1851 my mother went by the name of Hall. My mother left Cherokee Co., Ga. between 1835 and 1840. My grandmother came along too and they came to Missouri and Arkansas. Think they started with the Cherokees. Don't know why my mother was never enrolled, unless it was that she never lived here in the Cherokee country. My mother lived with the Indians up to the time they left the old country. My mother and grandmother talked Indian all the time. They never had any other name than Burns. Martin Burns was my mother's uncle - my grandmother's brother. Don't know what became of him. Don't know whether there were other brothers or not. Dent Burns, Jack and Jim were brothers of my mother. Dent Burns died in Tennessee. Don't know whether he was ever enrolled or not. He has been dead several years. My mother had no sisters. I have heard my mother speak of George Burns, but I don't know just what relation he was. My mother was not an Old Settler. I was not enrolled by the Dawes Commission. None of us applied. All of these people claim back through my mother and grandmother - that is my children and my brothers' children.

OFFICE OF THE  
SECRETARY

Commissioner of Indian Affairs,

Washington, D. C.

Dear sir:-

In the matter of the application of Henry Failing  
for a share of the Eastern Cherokee Award:

7912  
On or about December 29th. 1906. I sent in to your office the above application which was made some time before that date. After he died he died before the application was received but after it was made on course his brother Johnson Failing found other persons who were on the roll of 1881 and for whom Henry Failing would claim an equal share with him (Johnson Failing) the two being full brothers.

Johnson Failing sent his application to you within the last day or so. I inclose herewith the names of the persons who were related to both these men and for whom they both claim an equal share. If you find names on this list that is not on the original application of Henry Failing please attach them to the application so that it is complete. I hope you can do this as there are several children who need all that was owing to their father who did not leave them in the best of circumstances.

Very truly,

January 17th. 1907.

I live at McGrady, Wilkes County, N.C. I am 43 years of age. I was born in Alleghany County. I am a daughter of Calvin Osborne, who lives near Laurel Springs, in Alleghany County. He is between 65 and 70 years of age. He is not known by the name of Calvin Sizemore; he is always called Calvin Osborne. They say Jesse Osborne was his father. I did not know Jesse Osborne. I do not recollect who was the mother of Jesse Osborne. I recollect now that she was Sally Osborne, or Sally Sizemore. I do not know who was her father. I am of Indian blood through my father's side only. I heard as a small girl that I had Indian blood. My father told me this. I never heard my father say until late years how much Indian blood he had. He never said what Indians he was kin to. My father and I pass in the community as white people. Neither of us have ever received any Indian money. Neither of us have ever applied for it before this that I know of. My father only told me that we were kin to the Sizemores and the Sizemores had Indian blood. I have heard that my grandfather, Jesse Osborne, had brothers and sisters, but I cannot call their names. My father also had several brothers, but I cannot tell how many.

COURT OF CLAIMS.

In the Court of Claims of the United States. *Duplicate.*

In re application of Lezaria V. McCaffee for a share of the Eastern Cherokee Emigrant Money.

Exceptions to the report and roll of the Special Commissioner of the Court of Claims, filed May 28, 1909.

To the Honorable Chief Justice and Judges of the Court of Claims.

Now comes your petitioner Lezaria V. McCaffee whose post office address is Tanahou State of Texas and application number 11287 and specially excepts to said report and roll for the reason that the names of applicants minor children and the persons for whom applicant is authorized to act as guardian, have been omitted from said roll. The names of said children are as follows:

Bradley S. McCaffee Born June 2" 1901  
Barton A. McCaffee " Oct 24" 1903  
Laura V. McCaffee " June 18" 1905

That applicant was a legally descended Eastern Cherokee and entitled to participate in the division of the fund, within the meaning of the act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims, May 18, 1905, and May 26, 1906.

That applicant as such has been legally established in the application and proof heretofore filed which resulted in enrollment.

Applicant did not receive any supplemental application blanks, which were adopted by the Special Commissioner for the purpose of identifying minor children, and if any such blanks were forwarded they failed to reach their destination.

Applicant was under the impression and belief that instructions would be given prior to the preparation of the roll, as to the enrollment of minor children and their minors under guardianship and has been awaiting such advices.

The minor children above named are entitled to enrollment by reason of their relationship to applicants already found entitled and actually enrolled and they should now be added to said roll for that reason.

I am 42 years of age; was born in the Indian Territory, Choctaw Nation. I claim Cherokee Indian blood through my father. My mother was a Choctaw. She drew Choctaw money and I have drawn Choctaw money. I am enrolled by the Dawes Commission as a Cherokee. I was allowed by the Dawes Commission to enroll either as a Cherokee or Choctaw. I enrolled as a Cherokee. I also drew Cherokee strip money. I think my father came west in 1858.

I was born and reared in this county, & now reside in a 1/4 mile of where I was born northeast of Cleveland. I well knew "Johnnie Evans" & his sister Mealey Evans ever since I can remember. I lived neighbor to him nearly all my life till he died. I worked with him & worked for him different times & have often heard said "Johnnie Evans" talk of being part Indian - Cherokee blood. He said he was 1/4 Cherokee Indian. He was brother to Mealey Evans whom I also knew in her life time. She was the mother of Charletta Evans who was the wife of James Kelley & mother of Leander Kelley & Jasper Kelley. Mealey Evans died about the year 1880 or twenty odd years ago in Big Chatata valley. GENERAL AFFIDAVIT.

State of Tennessee County of Bradley SS:  
IN THE MATTER OF claim of Leander Kelley for share of  
Cherokee Fund, Act of June 30, 1906 and Court Series

ON THIS 12 day of January 1917 A. D., personally appeared before me,  
a Notary Public in and for the aforesaid County, duly authorized to  
administer oaths.

W. H. Patterson aged 16 years, a resident of  
Olinner in the County of Bradley  
and State of Tennessee whose Post Office address is Olinner  
Bradley Co. Tenn, well known to me to be reputable and entitled to credit, and who

being duly sworn, declares in relation to the aforesaid case as follows: I have well known  
Leander Kelley & his brother Jasper T. Kelley  
ever since they were small boys  
and knew their mother Charlatta Evans who  
married James Kelley. Their mother  
was known as a niece of Johnson  
(known as "Johnoe") Evans. That is I  
have always heard & understood that said  
"Johnoe" Evans was the uncle of the  
mother of said Leander & Jasper Kelley.  
I well knew said "Johnoe Evans" ever  
since as far back as 1857. He was then  
doing carpenter-work for old Isham  
Julian in Chatata valley, this county. I  
was more or less acquainted with him  
after that until he died somewhere about the year  
1890. Said Evans had always told me that he was  
part Cherokee Indian. I was present at a meeting  
between Jim Ray Indian preacher, who discussed his Cherokee  
descent. His appearance & especially the looks of his children  
I further declare that I have no interest in said case and am not  
concerned in its prosecution.

Mrs. Nannie E. Evans and Leander Kelly being first duly sworn, depose and say:

That we are 49 and 44 years of age respectively and live in Cleveland, Tenn. We claim through our mother and grandmother on our mother's side. My great grandfather, William Evans, was supposed to be one-half Cherokee Indian. My grandmother was born in Virginia; I don't know what part. My mother was born in Pickens Co., Ga., I think. She may have been born in S. C. and raised in Ga. I think my great grandfather came from Virginia. I don't know whether my mother or any of my ancestors ever lived with the Indians and don't know whether they were ever on any roll. We are recognized as white people in the community in which we live, and so were our mother and grandmother. We never made application before to share in any Indian benefits.

I was about 8 years old at the time the war commenced. My father was an Old Settler and my mother was an Emigrant. My father and mother were living together in Tahlequah District in 51. My father's name was Wash Henson and my mother's was Rachel Henson. They didn't have any children of their own but my father had a child by another woman that was named Jacob. My mother had a sister named Susannah and she had a Daughter named Nellie Henson that was living in 51. Susannah was only a half sister of my mother on the father's side, but her ~~father~~ mother was an Emigrant and was drove from the old nation with them. My mother's mother was named Too-nih but she was living over in Delaware District with old man Mouse. Old man Mouse had two families. One wife was Too-nih and the other was Quah-le-you-guh. They had several children. I have the following children. Hiram Woodall, George Woodall, Jim Woodall, Maggie Whitekiller. and Willie Whitekiller. I have been married three times. Alsie Flytag is my mother's full sister and is still living near Tahlequah or Melvin or maybe Peggs is her post office. I guess I am a Night Hawk. I refused to take my allotment. I am a full blood.
